

# School of General Relativity, Astrophysics and Cosmology

## Monday, 31 July 2023

**Redshift drift, position drift and parallax in general relativity (12:20 - 13:20)**

-Conveners: Mikołaj Korzyński

**Redshift drift, position drift and parallax in general relativity (16:00 - 17:00)**

-Conveners: Mikołaj Korzyński

# Tuesday, 1 August 2023

**Redshift drift, position drift and parallax in general relativity (10:00 - 11:00)**

-Conveners: Mikołaj Korzyński

**Redshift drift, position drift and parallax in general relativity (15:00 - 16:00)**

-Conveners: Mikołaj Korzyński
