

School of General Relativity, Astrophysics and Cosmology

Monday, 24 July 2023

Self-force theory and the gravitational two-body problem - Lecture hall 0.06 (11:20 - 13:20)

-Conveners: Adam Pound

time	[id] title	presenter
11:20	[13] Self-force theory and the gravitational two-body problem, part I	POUND, Adam
12:20	[14] Self-force theory and the gravitational two-body problem, part II	POUND, Adam

Tuesday, 25 July 2023

Self-force theory and the gravitational two-body problem - Lecture hall 0.06 (11:20 - 13:20)

-Conveners: Adam Pound

time	[id] title	presenter
11:20	[15] Self-force theory and the gravitational two-body problem, part III	POUND, Adam
12:20	[16] Self-force theory and the gravitational two-body problem, part IV	POUND, Adam
